RISING STARS, JG NORTH & WEST

Spring 2005 Basketball Season

Rising Stars, JG

North & West Spring Skill Night-Clinic
3rd - 8th Grade Boys & Girls

Club members will work on individual and team skills. Members will pick a satellite night; then players will train at a high level for an hour and a half work out. This session will focus on individual skills (shooting, one-on-one moves, ball handling, conditioning, footwork).

Satellites will be held at:

Rising Stars, JG North

1. Multiplex, Deerfield
2. Barat College, Lake Forest
3. Wilmette Jr. High, Wilmette
4. Warren HS - East Campus, Gurnee
5. Grove Middle School, Barrington

Rising Stars, JG West

1. Prairie Stone Wellness Ctr, Hoffman Estates
 2. Sky High Center, Crystal Lake
- Please check the schedule of events page for dates, times, and locations.

JG Speed and Agility Camp 4th-12th Grade Boys & Girls

Our Speed and Agility Program has been designed to develop each athlete from the inside out. After being tested for speed, vertical jump and reaction capability the program begins. Core development, joint stabilization, postural awareness and controlled range of motion are the beginning of any quality speed program. Without these fundamentals, there is little chance for speed development. Each session has a deliberate and specific warm-up which, for some athletes, will also assist in developing relative strength. Explosive starts, acceleration phase enhancement, proper running form to develop proper stride length and rate are all addressed as each athlete progresses through the program. The Speed and Agility Program will teach each athlete what it takes to get to the next level as well as give each athlete a new sense of confidence in his or her performance ability. Please check the Change to schedule of events page for dates, times, and locations.

Rising Stars, JG North & West High School Tournament Teams 9th -11th Grades Boys & Girls

We will be forming teams in March, after the high school season concludes. We will make teams for all levels. In most cases, we will have multiple teams at each level. This gives the High School player the opportunity to compete against the best talent, not only in the state, but from many other states and around the nation.

Players will compete in AAU, Adidas Invitational, MWA, NAWB, Nike Invitational and other top notch tournaments. Player will receive the brand new JG Rising Star uniform. Many of our players have used these experiences not only to improve their play, but to get high exposure to further their college expectation of playing basketball.

Tournaments are on the weekends during the months of April, May and June. Second try out dates and fee information will be distributed at the first try out dates. Please check the schedule of events page for dates, times and locations of tryouts.

Rising Stars, JG

North & West Tournament Teams
3rd - 8th Grade Boys & Girls

*All team members must register for 1 skill night-clinic.

Tournament teams give the players an extra advantage of playing high level team basketball against the best teams and players not only from our state but all over the country.

In addition to their Spring skill night-clinic, team members will either have a tournament or practice on the weekends.

We compete in AAU, Adidas Invitational, Nike Invitational, NAYB, MBA, and other top notch tournaments.

Rising Stars has become the biggest team program in the Mid-West, well known for it's strong discipline, high skill level and preparation.

We have received many compliments on, how we play, and that we are a class act organization. We pride ourselves on bringing the best out of our players, coaches, parents, and those who compete against us and surround us. Tournaments are on the weekends during the months of April, May and June. Second try out dates and fee information will be distributed at the first try out dates. Please check the schedule of events page for dates, times and locations of tryouts.

Rising Stars North & West Guard Clinic 8th-12th Grade Boys & Girls

This clinic, taught by Coach Michael Weinstein will teach players how to better their ball handling techniques. Players will learn proper passing skills, shooting off the dribble, shooting off the pass, one on one moves off the dribble and pass. These skills will enhance your player's overall game and will increase his or hers confidence. Please check the schedule of events page for dates, times and locations.

Rising Stars North & West Big-Man/Post Play Clinic 8th-12th Grade Boys & Girls

This clinic, taught by Coach Michael Weinstein will teach players the post position and how to play offensive and defensive basketball from the post. Players will learn post moves, footwork, rebounding, screening, timing drills, and shooting and how to read and react offensively and defensively in a competitive environment. Please check the schedule of events page for dates, times and locations.

JG College Exposure Player Evaluation

Rising Stars is proud to announce that 33 players have continued to play college basketball over the past two years: D1, D2, D3, NAIA, and Jr. college. Joy of the Game's website now offers an avenue for players to find and gather information on all levels of college basketball. Besides school and governing body (NCAA, NAIA) information, players can also see where players are ranked locally as well as nationally.

JG is also providing a service that athletes can sign up for. This program offers athletic "career" counseling. JG coaches will counsel players on how to get to the next level. Program will consist of:

- 1) Evaluation of player's current level and skills.
- 2) Drafting of letters for schools.
- 3) Phone calls made to schools and coaches.
- 4) Breakdown profile.

**Any player on a Rising Stars team can receive this program free of charge. Please call the office# (847) 498-6646 or email us at info@joyofthegame.com or visit our website: www.joyofthegame.com

TOURNAMENT TEAMS SKILL NIGHT-CLINIC GUARD CLINIC BIG MAN/POST PLAY CLINIC SPEED AND AGILITY CAMP

In our twelfth year of business we have developed into the largest private travel team program in the Midwest! We pride ourselves on our professional program. JG has developed most of the top players in the area. There are teams for both boys and girls in grades 3rd - 11th. This means there are multiple teams to keep players playing. Joy of the Game has focused on providing the best for all children for a long time. We believe that players come first in our programs. Be part of a program that is established and successful.
